The Transformation of Nursing Education in California

COADN–CACN Joint Fall 2018 Conference

Featuring Keynote Speaker:

Michael Bleich PhD, RN,
NEA-BC, FNAP, FAAN
President & CEO,
NursDynamics, LLC

October 24 – 26, 2018

The Transformation of Nursing Education

Program Objectives

1. Explore different models of academic progression and collegial partnerships between nursing programs that facilitate academic progression while improving outcomes.
2. Explore the processes and benefits of partnering between academic organizations to create seamless academic progression for nursing students.
3. Utilize academic partnerships to maximize clinical learning environments, lifelong learning, and support the future of nursing initiatives.
